DuPont Refinish
More than just paint ...

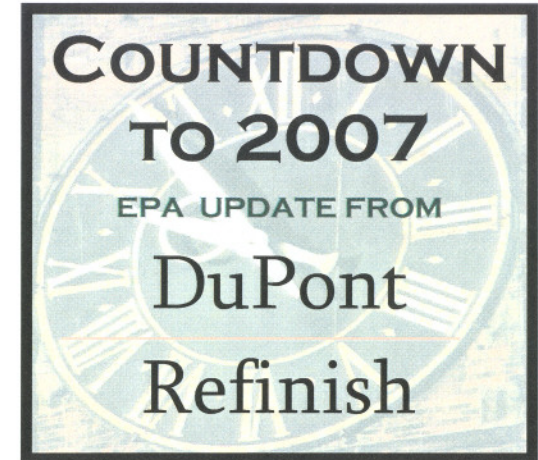

DuPont Refinish
More than just paint ...

The EPA legislation changes, affects every bodyshop in the UK currently using non compliant coatings. The legislation stops the use of these products and also does not permit paint manufacturers to place non compliant products into the EU market. The penalties are high with huge fines and imprisonment for any breach.

DuPont Refinish has a complete range of compliant products and will work with you to ensure your business is in good shape prior to the deadline date
